- To declare interests conflicting with the Nolan principles/non-pecuniary interests. There were none.
- To allow Councillors to consider amendments required to their Declaration of Pecuniary Interest forms. There were none except for Cllrs. Horsefield and Clarke who would be submitting forms which the Clerk had supplied.

**3. To consider and approve Applications for Dispensations.** There were none.

**4. To resolve to approve the Minutes of the Nether Alderley Parish Council Meeting held on 9<sup>th</sup> September 2025.**

It was **RESOLVED** to approve the Minutes subject to the addition of: 2 free events per term for the School (Minute 15) and Cllr. Horsefield's Google Analytics information sent ahead of the meeting (Minute 16). A copy of the updated minutes has been circulated to all members and added to the Website.

**5. Public Presentation**

To adjourn the meeting to receive representation from members of the Nether Alderley Parish.

The Village Hall Caretaker was present and he advised the Council that he intended to stand down from his role because it had become too busy.

He was thanked for his long service and his considerate means of exit from his role. He would be available until his replacement had been found and would continue to assist if the role was in some way split. This would be born in mind by the Council in sourcing a replacement.

**6. The Meeting was then resumed**

**7. Filling the Vacancy for the Parish Clerk.** Interviews were held on the 16<sup>th</sup> September. The interview panel recommended the appointment of Gill Ayres. Gill will commence work on the on Monday 20<sup>th</sup> October. The Clerk is on holiday the 20<sup>th</sup>, 21<sup>st</sup> and 22<sup>nd</sup> October and will meet her at the Village Hall 1.30pm on the 23<sup>rd</sup> to start the process of bringing her up to speed on NAPC issues and systems. In the meantime he will send her the October Agenda and papers, October Minutes, Standing Orders and Financial Regulation and her Job Contract and her employee information sheet to complete. The Clerk will work with her until the November Council and the end of November and will remain available to assist her with any issues in the future.

## 8. Neighbourhood Plan Progress

This is currently in the Section 12 consultation period organised by Cheshire East Council until 20th October. Following this, any amendments will be considered before the Plan, Design Codes and Guidance, Basic Conditions and Consultation Statements are sent to the independent inspector. The latter step will be the forerunner of the Local Referendum. The Clerk had approved the appointed inspector because of his work with Over Alderley and many other Parish Councils. The fact that Cheshire East is ready to send the documents to the inspector following the 20<sup>th</sup> is very positive in that they have no issues or concerns with them.

## 9. Net Budget Provision 01/04/25 to 31/10/25 and Bank Reconciliation [Enclosure 1 in the Agenda Documents Pack](#).

This was an accurate budget position statement up to the end of October because all payments and receipts had have been approved up to that date at this Council meeting. The report continued to show a very health budget situation which would allow the Council to fulfill its program of capital works and also keep within its revenue spending budget and achieve a surplus to populate next year's ear marked and general reserves.

In terms of Village Hall Hire income the Clerk showed the booking diary which was growing all the time. This was positive in achieving the budgeted income of £10,000. The new booking system would also be able to provide a good end of year forecast.

## 10. Approval of the VAT Claim for the month of August [Enclosure 2 in the Agenda Documents Pack](#).

It was **RESOLVED** to approve claim of £331.55

**Proposed:** Cllr. Farrel **Seconded** Cllr. Joseph

## 11. Finance Schedule (Appendix A)

### 11.1 To note receipt of income, as listed in schedule (A1)

**Proposed:** Cllr. Farrel **Seconded** Cllr. Joseph

### 11.2 To approve items for payments as listed in schedule (A2)

**Proposed:** Cllr. Joseph **Seconded** Cllr. Connor

### 11.3 To approve direct debit/standing order as listed in schedule (A3)

**Proposed:** Cllr. Gleave **Seconded** Cllr. Farrell

### 11.4 To consider and approve the Clerk's expenses as listed in schedule (A4)

**Proposed:** Cllr. Gleave **Seconded** Cllr. Farrell

## 12. Annual Governance and Accountability Review (AGAR) 2024/2025

The external auditor had reported a clean audit and the Exercise of Public Rights from 30<sup>th</sup> September was displayed on our three notice boards and the website. [Enclosure 3 the Agenda Documents Pack](#) provides this evidence which will be required for the Internal Audit submission in April/May next year. This clean audit was a vindication in the way the Council had handled the very complex renovation of the Village Hall and the other work of the Council in 2024/25 not only in terms of the financial element but also in terms of its governance and accountability. The Cost of the audit shown in Appendix A is representative of the extra work of the auditors in analysing all this.

## 13. Broadband at the Village Hall.

The full-fibre BT Business Broadband and the Cloud Voice phone system at the Village Hall are both working well. The Clerk reported that he was acquiring a basic smart phone for the Caretaker. He had also researched the prospect of having a pop up display for guest users of the broadband regarding its acceptable use which was possible on the router by means of a so-called splash page which we could set. BT Business offers content filters, and [DrayTek](#) provides web content filtering to restrict guest users from accessing certain sites.

## 14. Cllr. Gleave raised the issue of acquiring a tablet computer. She thought the Hall's lights were capable of dimming by App. This would be useful for certain events, She would check that. She was given approval to work with the Clerk to acquire a tablet if the lights were capable of dimming.

Prior approval for new agricultural road.

Location: Land South Of Artists Lane, Nether Alderley, Cheshire East, SK10 4UA

Decision Date: 30<sup>th</sup> September 2025

**17. The Scribe Hall Booking System Diary**

The Clerk provided an update on progress and a potential go live date. All customer codes with their discounts, venues and fees are now in the system and have been approved by Scribe following a request by the Clerk for them to log and confirm.

The system is very automated with a customer booking form which will populate the booking system and when approved will update Scribe Accounts and generate an invoice by email.

Scribe uses “Stripe Payments” which is fully integrated into their system and when payments have been made the booking system and scribe accounts will be updated as paid making bank reconciliation more easy. Stripe is very similar to Sum up and other payments systems in incurring a transaction fee 1.5% + 20p for standard UK cards and requires an account to be set up in Stripe. Payments would be made into this account and funds would be transferred to the Parish Council account within 7-10 days. There is no upfront fee only the transaction fee.

The Clerk would ensure that the system was live on 1<sup>st</sup> November. He would ask scribe if they would transfer the Outlook Diary to the new booking system. However the Clerk was concerned how little information there was in the Outlook Diary to populate the booking calendar when the Scribe calendar is normally populated from a booking form. Anyway he will check what they can offer. The Clerk will also secure a phone for the caretaker asap.

**18. Remembrance Sunday** the Clerk had acquired as requested large poppies and three wreaths. He would provide a laminated weatherproof centre for the wreaths with the Council’s name on them. It was understood that Cheshire East Councillor Anthony Harrison would attach the large poppies to the lamp posts in the village.

**19. Village Hall Marketing Group and Christmas.** With regard to the Christmas Fair at the Village Hall all stalls had been booked. The Christmas Newsletter would be published at the start of November to advertise the Fair but perhaps it needed a leaflet drop as well. Cllr Rachel was securing raffle prizes and the Church would organise a tombola. Volunteers were also needed to help.

With regard to the Christmas Tree, the National Trust had agreed to accommodate a Christmas tree outside the Mill on the grass and would supply electricity to it. The Clerk advised that the tree would need a “pit” for it to be housed in similar to a drainage inspection chamber which the tree supplier would use to fix the tree with wooden chocs. He would find out the dimensions from Bollington Town Council where three trees had been position at Christmas. He was sure Mr. Beeby would be able to construct one. The electric supply needed to be planned as well. He would also find out who to contact at Cheshire East for ordering a tree.

**20. Advert for the Lengthsperson.** Cllr. Angela had spoken to the contractor who has shown an interest. The problem was the amount of material to dispose of in cleaning the pavements of leaves and overgrown grass and the positioning of Skips. She was waiting a response from him. It was looking likely that the budget would not be sufficient for anything other than limited projects.

**21. Demonstration of the Aubergine Website** – The system had been demonstrated to members on Friday 10<sup>th</sup> October at 2.00 pm at the Village Hall and via Teams. It was agreed that the system was very good. Other options and costs investigated were Parish Online, and Vision ICT.

A Best Website Assessment by Scribe rated these three providers and chose Aubergine as the best option. [Here is a link to this assessment.](#) Aubergine have a user base of over 600 Councils and would also register a .gov.uk url for the site and would setup .gov.uk email addresses for our councillors and provide secure hosting. Aubergine would also embed the Council's Scribe booking system in the new site. The Council has a significant investment in Scribe in terms of Scribe Accounts and Scribe Event Booking System.

In terms of cost, Aubergine's up-front costs would be £499, Parish on Line £300 - £800 and Vision ICT would be up to £2000. Aubergine would commit to a 7 weeks delivery window subject to Council staff being able to identify what needed to be transferred from the existing site.

The eventual cost would depend on what we ended up keeping from the existing website but that was being investigated by the Council at the moment and action was taking place to ensure that any information being transferred was relevant and up to date. Cllrs. Gleave and Linnell would be helping in this process.

On balance members felt that Aubergine offered the best Website solution for Council.

This was a technical contravention of the Council's Financial Regulations in not striving to secure three written quotes, however there would be no risk to this because the Council had made assessments of two other systems and Aubergine had a good reputation and a well-used quality product. This was discussed with members and it was resolved to suspend financial regulations to achieve this purchase see below:

It was **RESOLVED** to suspend Financial Regulation under: *18.2. The council may, by resolution of the council duly notified prior to the relevant meeting of council, suspend any part of these Financial Regulations provided that reasons for the suspension are recorded and that an assessment of the risks arising has been drawn up and presented in advance to all members of council make this possible.*

**Proposed:** Cllr. Gleave **Seconded** Cllr. Farrell

It was **RESOLVED** to purchase the Aubergine Website

**Proposed:** Cllr. Gleave **Seconded** Cllr. Farrell

**22. Office 365 and . SharePoint.** Following approval at the last meeting this will be progressed by the Clerk following the new website procurement.

**23. New Notice Boards.** This was being progressed by the Clerk in consultation with the PCC (only in relation to the Parish Hall notice board). He will provide options and costs for members and the PCC. He was also requested to provide a notice board in the Village Hall Foyer.

Cllr. Rachel raised the issue of the Alderley Park Noticeboard. She would be able update it with local issues because there was plenty of space. Cllr. Gleave said she was also willing to do that. The Statutory publications on all notice boards were: the Council summons on the Thursday preceding the Tuesday Council meeting and the Internal (June) and External Audit (September) audit reports. Both could be delegated to members but the Audit reports needed date-stamped photographic evidence. The Clerk will provide duplicate keys for all existing and new notice boards.

**24. New Boundary Signs.** Now that BankLine is up and running the Clerk will order the three signs via an on line payment.

**25. Review of where we are with Social Media Management** - Cllr. Rachel reported that we had over 550 followers on social media. Social media had generated significant bookings for the Village Hall and many of them from customers wanting to use the Hall on a regular long term basis. Some relocating to the Hall from other facilities. One issue flagged was people coming down the Lane on a dark winter night to open the Hall on a trusted user basis. However, The Hall's exterior lights are automatic and come on at dusk.

**26. Councillor's reports and items for future agenda**

Councillors may use this opportunity to report minor matters of information not included elsewhere on the agenda and to raise items for future agendas (not for debate or decision)

making).

- **Use of the Church Car Park.** The expected continued use of this car park by Hall users was still uncertain following the recent PCC meeting. Without the use of this car park the hirers of the Hall have little other options but to park in the small area in front of the Hall and on Church Lane. A meeting with the PCC will need to take place.
- **The purchase of a Defib Machine.** For Alderley Park potentially the Churchill Tree, however there was one at the Water Garden. Exact location to be investigated.

27. To confirm the next Council meeting is s

**Tuesday 11<sup>th</sup> November 2025**  
**6.30pm at Nether Alderley Village Hall**

**Parish Clerk's Comments:**

Bank Reconciliation up to the end of October = £136,557.12 (attached).

All payments and receipts approved at the 11th November Council meeting (and essential up to the end of November) are in Scribe Accounts and therefoe in the above report.

Plus not yet received but budgeted for receipts of **£365.81** = **£136,992.93** Total Resources for 2025/26

Total resources of **£136,992.93** less budgeted payments of **£120,910.60** = a surplus of **£16,082.33**

This surplus of **£16,082.33** is unallocated (plus the £20,000 General Reserve) and could be passed into 2026/27

Also any unspent earmarked reserves would be used to populate Earmarked Reserves for 2026/27

**This being November the Council is also advised to look at the spend against budgeted items in this report (excluding Earmarked reserves and General Reserves) so as to assess the likely revenue budget for 2026.27 to be funded from the current precept of £69.790 and the likely receipts income for 2026/27.**

**NETHER ALDERLEY PARISH COUNCIL****Health and Safety Policy****General Statement**

1. Nether Alderley Parish Council recognises and accepts its responsibilities as an employer to provide a safe and healthy working environment for its Clerk, contractors, voluntary helpers and any others who may be affected by activities of the Council.
2. The Council will meet its responsibilities under the Health and Safety at Work Act 1974, and Regulations, and will provide as far as is reasonably, practical, the resources to fulfil this commitment.
3. The Council will look for as and when proper, expert technical advice on Health and Safety to aid the Clerk in fulfilling the Council's responsibilities for ensuring safe working conditions.

**Aims of the Health and Safety Policy**

To provide as far as is reasonably practical:

1. A safe place of work and a safe working environment
2. Arrangements for considering, reporting, and reviewing Health and Safety matters at work, including risk assessments of working activities
3. Systems of work that are safe and without risks to health
4. Obtaining specialist technical advice and aid on matters concerning Health and Safety when necessary
5. Sufficient information, instruction and training for the Parish Clerk, contractors, and voluntary helpers to carry out their work safely
6. Care and attention to the health, safety and welfare of the Clerk, contractors, voluntary helpers and members of the public who may be affected by the Council's activities

**Arrangements and Responsibilities for carrying out the Health and Safety Policy**

As the Council's Safety Officer, the Clerk will:

1. Keep informed of relevant health and safety legislation
2. Advise the Council on the resources and arrangements needed to implement the Health and Safety Policy
3. Ensure that matters of health and safety are discussed at Parish Council meetings when appropriate
4. Ensure that risk assessments are carried out of working practices and facilities, with later consideration and review of any necessary corrective or protective measures. Maintain the Parish Council's risk assessments.

5. Make arrangements to ensure those contractors or voluntary helpers working for the Council follow all reasonable health and safety requirements. All contractors will have to abide by the terms of the scope of work specified by the Council and will be given a copy of the Council's Health and Safety Policy.
6. Ensure that work activities by the Council, if any, do not unreasonably jeopardise the health and safety of members of the public
7. Maintain a record of notifiable accidents
8. When an accident or hazardous incident occurs, take immediate action to prevent a recurrence or further accident and to complete the necessary accident reporting procedure.
9. Act as the contact and liaison point for the Health and Safety Executive

The Clerk, contractors and voluntary helpers will:

10. Co-operate fully with the aims and requirements of the Council's Health and Safety Policy. Follow relevant Codes of Practice for Health and safety or work instructions for health and safety.
11. Take reasonable care for their own health and safety, use right personal protective clothing and where proper ensure that first aid materials are available
12. Take reasonable care for health and safety of other people who may be affected by them
13. Not intentionally interfere with or remove safety guards, safety devices or other equipment provided for Health and Safety.
14. Not misuse any plant equipment, equipment, tools, or materials
15. Report any accidents or hazardous incidents to the Clerk
