

## NETHER ALDERLEY PARISH COUNCIL

### Minutes of the Annual Parish Meeting held on Tuesday 10<sup>th</sup> May 2022 at 1.00 p.m. Nether Alderley Parish Hall

<b>In the Chair</b>	Vice Chairman Cllr. A Farrell
<b>Parish Councillors present:</b>	D. Clarke, S. Joseph, J. Shufflebottom, J. Wilkinson, G. Linnell and Cheshire East Cllr M Asquith
<b>Also present:</b>	Parish Council Clerk David Naylor and outgoing Parish Clerk Barbara Thorpe
<b>Public:</b>	A member of the public was present.

- 1. To receive apologies for absence** – The Parish Council received apologies for absence from Nether Alderley Chairman Cllr Norman Howick and Cllr S.Lewis.

#### **2. Chairman's Report**

Things, it would seem, are returning to normal in all walks of life, and we welcome this normality in the light of not-insignificant demands facing the Parish Council in the coming year. Everyone in our community has had their own challenges throughout these tough times, and the Parish Council is proud to play its part in support of all parishioners and their families. It is these things that bind us in the long run.

The building of community assets is vital, and to this end we are making good progress with plans for the Parish Hall refurbishment. As you know from my last statement, we have now secured planning consent from Cheshire East Council and look forward to working with the Diocese in taking the works to the next stages. Our architect and project managers are busy with the procurement process also, and we will be announcing schedules of work as soon as we can. Unfortunately, because building costs have risen dramatically over the last year or so, we will need to embark on a fund-raising effort and a working group has been set up to tackle this urgent issue. Parishioners will hear more about this over the ensuing year.

The Neighbourhood Plan is now back on track. We had our first consultation in February where the draft policies were presented for comment. Considering the dreadful weather, turnout was reasonable, but more importantly the quality of feedback was excellent - so much so that we can move on swiftly to the next consultation stage. There is still a long way to go, but the initial signs are extremely positive.

Our newsletter continues to be a great success and is read avidly. It has been so successful that it is now attracting advertisers which is helping to cover the cost of the new and improved format. As ever, we thank Councillors Jenny Shufflebottom and Sue Joseph for their hard work and dedication

As ever, Alderley Park serves our economy and community and always supports parishioners and the Parish Council. We thank them for this and for the added opportunities to challenge and discuss activity and development within the Park.

2022 is, and will be, a year of significant change for the Parish Council. Councillor Yvonne Bentley has stepped down, and I would like to thank her on behalf of the Parish Council for her many years of service and invaluable input - she will be sorely missed. Also, our Clerk and Responsible Financial Officer, Barbara Thorpe is retiring as of the end of April. Her place will be taken by David Naylor, who has vast experience at local and regional government level. Again, on behalf of the Parish Council I would like to express our extreme gratitude for Barbara's exemplary conduct and depth of expertise in carrying out this challenging role for so many years. We are more than sad to see her leave and wish her all good luck and fortune for the future.

Our Rector, Jon Hale is also retiring, and we thank him for his many years at St. Mary's and also wish him well for the future.

## Nether Alderley Annual Parish Council, Meeting Tuesday 10<sup>th</sup> May 2022

And finally, as well as ending my tenure as Chair, I am stepping down from the Parish Council. I would like to convey my gratitude to all who have supported me throughout this time both on a Parish Council and a personal level. The succeeding Chairman, Councillor Angela Farrell has already proven that she is going to be an excellent Chairman and leader and I send her all best wishes and success for the future from everyone on the Parish Council.

Cllr. Norman Howick (Chairman) Nether Alderley Parish Council

Thanks was echoed by Cllr Angela the newly elected Chairman and all members of the Council to Barbara the outgoing Clerk for the excellence of her work for the Parish.

The incoming Clerk also added that his handover from Barbara had been very impressive and had provided him with an excellent launch into his new role.

Grateful thanks were also given to Norman the outgoing Chairman for his excellent chairmanship, leadership and dedication to the Parish. He could not attend the meeting today and is also standing down as a Parish Councillor.

**3. Questions from the Public –** There were no questions.

**4. Any Other Business –** None

**Proposed: Cllr. J.Wilkinson**

**Seconded: Cllr. J.Shufflebottom**

5. **1.45 p.m.- Public presentation** – There were no public presentations and the meeting was not adjourned for this item.
8. **Current Matters**

**To consider and agree actions relating to ongoing matters as follows:**

  - 8.1 **Cheshire East update by Ward Councillor** – There was no update due to Cllr. Asquith's absence. He had attended earlier parts of the Parish and AGM meetings but had left before this meeting.
  - 8.2 **Parish Hall renovation update:**

WML Construction Ltd, Structural engineers, had carried out a Geotechnical survey last week on Wednesday 4<sup>th</sup> May. Their report had not yet been received. Cllr Angela, the Chairman, will chase up the Architect (who will probably be the project manager) regarding ongoing progress. It was reassuring, however, that some progress is now being made. The Clerk was also pursuing Judith Cosgrove Cheshire East's 106 Monitoring Officer. The issue is the expiry of the s106 funding in January next year. Another tranche of funding should be allocated to the Parish Council in August when a house building trigger is reached but the Parish Council needs to protect this funding against expiry next year either by having a firm contractual commitment to the Hall renovations or an assurance from Judith or the developer. It was also noted that Cheshire East holding the money on behalf of the Parish would allow them to deal with the VAT issue rather than the Parish Council.

- 8.3 Neighbourhood Plan update** – The Neighbourhood Plan consultant who is developing the Plan has been delayed by illness and the pandemic has also been a factor, but he is now back on the task and understands that progress needs to be made following the consultation phase on draft policies. Cllr Linnell asked about the timetable and milestones which should be available to the Council. These were now being pursued. The Clerk advised that he would also be able to attend some meeting and actioning some issues. This was accepted. **An urgent meeting will be sought with the consultant by Cllrs Linnell and Clarke.**
- 8.4 Highways Issues:**
- 8.4.1 Artists Lane/Flooding in Welsh Row:** Josh Holden the local highways inspector had organised the jetting of surface water drains in Artists Lane and had been in contact with local landowners regarding ensuring their water courses were clear. It was still work in progress, but he hoped that this will alleviate the problem.
- 8.4.2 Launch of Cheshire East Highways Survey.** This is due before 31<sup>st</sup> May. The Clerk would complete the survey. Cllrs are asked to email the Clerk with issues. The Clerk would be adding known issues such as the terrible state of the former A34 (Congleton Road) surface and the intention to withdraw winter gritting from Artists Lane. **It was suggested that Cllr Craig Brown at Cheshire East should also be contacted directly about Congleton Road.**
- 8.4.3 Regarding the Winter Gritting.** A dedicated response to Cheshire East's proposed scheme is due by 27<sup>th</sup> May. The scheme will enable the Parish to pay for the roads to be gritted at an annual £725 per km standing charge and £8.47 per km per visit. Artists Lane is 1.77km long which would be quite expensive for the Parish given there could 30-45 gritting visits during the winter period. The point was made that this road is steep and narrow with blind bends. Gritting on this road it is not just "a nice to have" but presents a genuine road safety issue without it and Cheshire East as the highways authority needs to address it.
- 8.5 Alderley Park Meeting with Planning Officer.** Further to the 28<sup>th</sup> April meeting at St Catherine's Church Birtles. Another meeting had been promised following Adrian Crowther's (Cheshire East Council Alderley Park Planner) meeting with the Alderley Park developers. Adrian would be asked for a date for this new meeting. **Cllrs Linnell and Clarke would chase this up.**
- 8.6 130 Bus service update** – Cheshire East Council had increased its annual subsidy to this service from £75k to £200k. This has happened after an agreement had been made for councils along the route to fund it (£2k per annum from Nether Alderley). The question remained whether this new injection of funds would reduce pro rata Nether Alderley's and the other councils' contributions? A response had been requested from Cllr Craig Brown - not yet received but would be pursued.
- 8.7 Ownership of the Parish Hall Update** – Still awaiting the PCC to respond back to the Parish Council regarding the Council's changes to their suggested updated Heads of Terms. It was important to resolve this issue because it was critical to the issue of ownership of the Hall which would allow grants to be obtained.
- 8.8 Plant a Tree for the Queen's Jubilee** – A planter was originally proposed but a tree is now being suggested. It was resolved to accept the tree proposals and that this be a hard wood tree with longevity. Potentially a horn beam. The Angela the Chairman would come back with options.

**9. New Matters**

**To consider and agree actions relating to new matters as follows:**

- 9.1 Parish Council meeting dates 2022/23** – Councillors noted the proposed dates of the Parish Council meetings and Burial Board meetings for 2022/23 which will be placed in the notice boards and uploaded to the Parish Council website.

There was a discussion regarding evenings at 7pm or afternoon at 1pm for the Council meetings.

**RESOLVED: The Parish Council resolved to approve the Council and Burial Board meeting dates for 2022/23. These are: Council meetings at 1pm Tuesdays. The Burial Board at 6pm on Mondays. The dates and times will be placed in the notice boards and uploaded to the Parish Council website.**

**Proposed: Cllr. S Joseph**

**Seconded: Cllr. G Linnell**

- 9.2 Parish Council Vacancy-** The vacancy occasioned by Cllr Howick standing down will be advertised on the Parish Council's 3 notice boards on 12<sup>th</sup> May and on the Website informing local people of the vacancy.

There is a statutory 14 days' notice period ending on 31<sup>st</sup> May for ten electors to request to Cheshire East's Returning Officer that an election be held. If no such request is received, then the Parish Council will co-opt a suitable person. A member of the public was present at the meeting interested in being a Parish Councillor

**Location:** The Pantiles, 40 CONGELTON ROAD NETHER ALDERLEY, WILMSLOW CHESHIRE SK9 7AB

**National Grid Ref** 384394.6702 377581.5404

**The Parish Council was concerned that the proposed extension is very dramatic with its glass and steel cladding to the front and rear elevations. It is felt that its design should be more in keeping with these historic villa houses in this conservation area and particularly with its connected neighbour.**

**The Parish Council would like to see the front elevation rendered to match the rest of the frontage for the two attached dwellings. The steel cladding would be an inappropriate material change and out of character for the dwellings and location.**
