## Meeting Summons

Dear Councillors

I hereby give notice that the Parish Council Meeting will be held at the Nether Alderley Village Hall.

**Tuesday 8<sup>th</sup> July 2025**  
**at 6.30pm**

All members of the Council are hereby summoned for the purpose of discussing and resolving upon the business to be transacted at the Meeting as set out hereunder.

David Naylor  
Clerk to Nether Alderley Parish Council

# Nether Alderley Parish Council Meeting

## Tuesday 8<sup>th</sup> July 2025

### AGENDA

1. To receive apologies for absence.
2. To receive Declarations of Interests
  - 2.1 To declare disclosable pecuniary interests (Councillors with disclosable pecuniary interest(s) must leave the room for the relevant items).
  - 2.2 To declare interests conflicting with the Nolan principles/non-pecuniary interests.
  - 2.3 To allow Councillors to consider amendments required to their Declaration of Pecuniary Interest forms.
3. **To consider and approve Applications for Dispensations**
4. **To RESOLVE to approve that the Minutes of the Parish Council Meeting** held on 10<sup>th</sup> June as a true and accurate record.
5. **Public Presentation**

To *adjourn* the meeting to receive representation from members of the Nether Alderley Parish.

**To resume the meeting.**
6. **Filling the Vacancy for the Parish Clerk.** An update will be provided at the meeting concerning the re-publication of the vacancy for the same 16 hours per week and an increase in the hourly rate to point 19 within the LC2 band i.e.£31,067 per annum pro rata £16 hours per week (£16.10 per hour).

There is an expected salary increase due to the cost of living, not yet known but potentially to be between 2% and 3%. This is likely to be paid in November/December and backdated to the start date of the new Clerk and also backdated for the retiring Clerk from 1<sup>st</sup> April to his departure date
7. **Neighbourhood Plan Progress**

The Planning Consultants (Kirkwells) had provided drafts of both the Basic Conditions and Consultation Statements and had also made amendments to the Plan.

In relation to the Consultation Statement more information had been requested about the history of developing the Plan back to 2017/18.

In relation to the Plan itself, after being significantly updated following the recent Section 14 consultation, Kirkwells had suggested amendments and Cllr. Gleave had reviewed the changes and sent them to the Clerk. The Plan is in PDF format and the Clerk will use his PDF editor to make the actual changes. He should have completed this a few days after the July Council meeting and have sent the requested consultation information to Kirkwells.
8. **Net Budget Provision 01/04/25 to 08/07/25 and Bank Reconciliation** **Enclosure 1 in the Agenda Documents Pack.** This is an accurate budget position statement up to the end of July given that all payments and receipts will have been included in both the bank reconciliation and the Net Budget Provision Report up to the end of July. Also included is a summary report which shows the budget variance after 4 months of the financial year. The reports continue to show a very health budget situation which will allow the Council to fulfill its program of capital works and also keep within its revenue spending budget. In terms of

Hall Hire income, July is not yet included in the report because invoices are generally sent out after the events. However, bookings are progressing well. See Agenda item 14 below. **The Clerk will display the Bookings Diary at the meeting for information about usage.**

**9. Approval of the VAT Claim for the month of May 2025 [Enclosure 2 in the Agenda Documents Pack.](#)**

**10. Annual Governance and Accountability Review (AGAR)**

Click [HERE](#) to access all the submitted documents which were submitted on 29<sup>th</sup> June to meet the 1<sup>st</sup> July deadline, an acknowledgment has been received from the auditor. The documents comprise:

- Completed Sections 1 and 2 of the AGAR Form 3;
- Completed Annual Internal Audit Report (AIAR);
- A bank reconciliation in support of Section 2, Box 8
- The notification of the dates of the period for the exercise of public rights
- An explanation of any significant variances year on year in Section 2. Explanations are now required for all variances of £100,000 or more regardless of the % variance. All responses should comprise both narrative and numerical explanations

Additionally because of our expenditure we will be an intermediate audit which will include supplying:

- A copy of the relevant minutes and agenda papers from the meeting at which the annual review of risk management arrangements during 2024/25 was discussed
- If the 2023/24 external auditor report included any 'except for' matters, copies of minutes and any agreed plan showing the corrective action taken to address these matters

The External auditor will report in September after requesting any further information required such as copy invoices etc.

The notice to confirm exercising of Electors Rights and dates in relation to viewing or being supplied with copies of the unaudited accounts and internal audit 2024/25. ("unaudited" relates to the External Audit).

The Clerk has complied with the publication requirements on our website and our three notice boards on Monday 2<sup>nd</sup> of June. The relevant dates chosen for display are Tuesday 3<sup>rd</sup> June – Monday 14<sup>th</sup> July 2025 Click [here for the evidence](#)

**11. Finance Schedule (Appendix A)**

- 11.1 **To note receipt of income, as listed in schedule (A1)**
- 11.2 **To approve items for payments as listed in schedule (A2)**
- 11.3 **To approve direct debit/standing order as listed in schedule (A3)**
- 11.4 **To consider and approve the Clerk's expenses as listed in schedule (A4)**

**12. Broadband.**

On 17<sup>th</sup> June Openreach completed the installation of the Village Hall's fibre Broadband, including the three poles and cabling. See photos below.

We are not expecting to be charged for the installation and the £3,000 can be saved or used for something else that is urgently needed.

The installation is very neat and the very thin optic cable is not intrusive when compared to the existing electricity cable on the right. The three poles are also vertical and neat and outside the paddock on the grassed edge of the drive.

The Clerk has configured the cloud voice phone system which works via the broadband router and set up “Be-Our Guest” broadband access to the router for hirers of the Hall using a simple password. This is totally separate from the secure broadband access that the Council will use via the same router but using a very complex password. The Admin password to the router is kept in a safe place and not accessible by the public.

Access details for Hall users is on display within the ground and first floors. It may be appropriate to buy another cloud voice handset for the first floor given that the ground floor where the current phone is housed will not normally be accessible by first floor users. Its purpose is to be used in emergencies given the poor quality of mobile signals at the Hall.

#### 14. To consider any other Planning matters including decisions to Planning Applications:

##### [25/1246/VOC](#) Approved with Conditions

Decision Date 24/06/25

Variation of condition 2 on approval [21/5418M](#): Alterations proposed to enhance the dwelling, its function and appearance, to suit the preferences and requirements of the client's family.

Shed 7, Sandleheath Farm Bollington Lane, Nether Alderley, Cheshire East,

#### 15. The Hall Booking Diary

Currently we use the standard outlook calendar. Scribe has an events booking system which can integrate with the Council's Scribe accounting software and the website. Scribe Bookings is an online booking system designed for venues, particularly useful for town and parish councils. It allows for the management of bookings for spaces like town halls, village halls, and sports facilities. The system offers features such as advanced venue settings, multi-venue bookings, customer and operational notes, and automated communications. It integrates with council accounts software and can be embedded on council websites for a seamless booking experience. Cost from £14 per month.

Click [HERE](#) for an overview.

The Clerk has booked a ZOOM demo on Wednesday July 9<sup>th</sup> 2025. 10:30am – 11am  
Please let me know if you wish to participate and he will send you a link

#### 16. Hall Marketing Group. The Summer Newsletter has been printed and delivered and a promotion leaflet has been produced and is on Instagram and other social media. It can be

accessed in **Enclosure 3 in the Agenda Documents Pack**. The variety and number of individual and repeat bookings is continuing to grow which is adding to confidence that budgeted income will be met and potentially exceeded. Further feedback on the work of the Group will be provided at the meeting.

- 17. The Role and Advert for the Lengthsperson.** This has been advertised in the Newsletter. The post will be self-employed and the rate of pay will be £18.00 per hour and the hours of work still needs to be decided. An update will be provided at the meeting. The Clerk had received an enquiry from a acquaintance of the Hall Caretaker who is likely to be made redundant and may be able to fulfil the post. The Clerk has his details.
- 18. Demonstration of the Aubergine Website –** Date to be set with members. This will be at the Village Hall now that we have broadband. Aubergine would also deal with the .Gov.UK URL changes.
- 19. Office 365 and SharePoint** **Enclosure 4 in the Agenda Documents Pack**. The Clerk is recommending that the Council purchase 3 copies of the Business 365 Standard edition £9.60 per month for the Clerk, Chairman and Vice Chairman and 6 copies of the Business 365 Basic edition £4.60 per month for the remaining 6 councillors. The basic 365 is a web based edition but has access to SharePoint and the other 365 suite of programs. Total cost £676.80 per annum plus VAT.
- 20. New Notice Boards.** The Village Hall and Orchard Place notice boards need replacing. The former has a broken lock and its backing board is very difficult to insert pins into. The same issue applies to the backing board of the latter and the unit is relatively small. The Church has asked to site a notice board adjacent to the Village Hall notice board and there is room to install it. The Clerk will source some appropriate sizes ,designs and prices and consult the PCC about a joint procurement. Geoff Beeby will install them. A supplier advertising in the Clerks Magazine is Greenbarnes. Their brochure can be accessed by clicking [HERE](#) and [HERE](#) for another supplier.
- 21. New Boundary Signs.** The Clerk is ready to order three new boundary signs. He has sourced a quote from the same company who supplied the two which are already in place which will use the same art work molds. The cost will be £4,024 plus VAT which we will reclaim. The earmarked budget provision is £3,000. Carriage is expected to be circa £70 Council approval is sought. A picture of the sign is below. Goeff Beeby will install them. The new and original (May 23) Quotation are attached as **Enclosure 5 in the Agenda Documents Pack**

**22. Review of where we are with Social Media Management** - an update will be provided at the meeting.

**23. Potential to contribute to the security of the Church Car Park.** This would be in the form of automatic lighting which will be linked to a sensor. The lights will be positioned so as not to cause nuisance to neighbours. This is to be investigated in terms of cost and acceptability of the PCC and linked to the continued future use of the car park by Village Hall users. A piece of the land immediately adjacent to the Village Hall, which has been up for sale, could also be purchased for parking and access to the burial ground. Our earmarked reserves have a budget provision for this.

## **PART 2 of the Meeting**

**24.** At this point in the meeting, subject to a positive resolution of the Council in accordance with Standing Order 3D, any members of the public who are present will be excluded from the meeting due to the potential for personal and sensitive information being discussed.

**25. Burial Board Matters.** Burial Board Meeting 19<sup>th</sup> May 2025.

**a) Burial Ground Inspection Report (Part 2 minutes re: confidential info.**

**b) Burial Board Minutes 19.05.25**

**Both contained in Enclosure 6 in The Agenda Documents Pack**

**In addition,** the Burial Board recommends the following for approval by the Parish Council:

**c)** Following the Parish Hall renovation, the compost bin and free-standing waste bin have both been removed. Therefore, the Burial Board recommend the Parish Council discuss the options to either reinstate the 4 bins (which are kept under the Mausoleum) and collected by a private refuse service or purchase and reinstate the free-standing bin.

**d)** Following completion of the Parish Hall renovation, the Burial Board recommend the Parish Council approve obtaining 3 quotations from local tree surgeons to carry out the necessary remedial work to the oak tree.

## **26. Councillor items raised at the last meeting**

- An inspection of External Assets was due – bus shelters, benches etc.
- Cllr. Joseph was producing the Newsletter and would like councillors to suggest more content and perhaps compile a rolling list of issues to include. This next issue would include the continuing Parish Clerk's vacancy and the vacancy for a Lengthsperson
- The need to clear our as much as possible from the Mausoleum - date to be decided and volunteers required.
- The Village Hall Management Committee should have volunteers from the community

## **27. Councillor's reports andt items for future agenda**

Councillors may use this opportunity to report minor matters of information not included elsewhere on the agenda and to raise items for future agendas (not for debate or decision making).

**28.To confirm the next Council meeting is**

**Tuesday 9th September 2025  
6.30pm at Nether Alderley Village Hall**
