8.4.1 Highways Group update – The Highways working group had met in March and reported the following:

- The directional pole at the junction of Welsh Row/Congleton Road had been reported to the CEC Highways Department
- Cllr. Bentley informed Councillors there are nine fence panels which have collapsed. Cllr. Howick agreed to follow this up with the CEC Highways department as it had been some time since they had agreed to replace the panels.
- A voluntary group will be formed to collect litter on the A34 by-pass (Nether Alderley section).
- Cllr. Howick established the land up to the overflow point on Artists Lane is privately owned and not the responsibility of CEC.
- The National Trust had been made aware of the danger of vehicles queuing to get into the NT car park near to the Wizard and the lack of bins which resulted in excessive litter.
- Anti-social parking on Artists Lane had been reported to the Deputy Leader of CEC and the Police Commissioner. The issue was referred to the police sergeant for Wilmslow/Alderley Ede who concurred they were unable to 'ticket' vehicles for obstruction as the obstruction needs to be more than an inconvenience. Cllr. Bentley strongly disagreed as vehicles are regularly parked in a dangerous position causing vehicles to reverse in order to let on-coming traffic pass safely (Section 22 of the Road Traffic Act 1988). Councillors agreed to monitor the situation which will hopefully be resolved with the easing of social distancing re: COVID-19.
- The Clerk was asked to arrange the next Highways working group (date to be confirmed)

**8.5 Alderley Park Liaison Committee Meeting update** – A meeting between Nick Hynes (Alderley Park) and George Walton (Chairman of the AP Liaison Committee) has been scheduled for 23<sup>rd</sup> April 2021. It was confirmed that no business will be discussed at this meeting and Cllr Howick will produce a set of file notes from this meeting.

**8.6 130 Bus service update** – Councillors noted the 130 bus service will be extended to include Manchester Airport, Wythenshawe and Wythenshawe Hospital which had not been clarified when the Parish Council had agreed to subsidise the service for one year. Cllr. Howick agreed to contact Cllr. Craig Brown (Deputy Leader of CEC) to express the Parish Council's disappointment and lack of transparency prior to the decision being made.

**8.7 Newsletter** – Cllr. Shufflebottom confirmed the newsletter is due to go out to all residents of Nether Alderley in the next week. A request for local articles will be made in the newsletter, social media, the website and in the Parish Council's notice boards which can be included in future newsletters.

Although CEC had confirmed it is possible to amend boundaries to meet local needs, it would be subject to agreement from all parties. Councillors considered and discussed the request and unanimously agreed that as NAPC Neighbourhood Plan was almost complete, the Parish Council could not consent to an amendment at this late stage since the Neighbourhood Plan commenced in 2018.

This would include provision of additional information for the reporting year 2020/21. The external auditor had confirmed there would be no additional charge.

**RESOLVED: The Parish Council acknowledge the appointment of PKF Littlejohn LLP, and resolved to approve the associated costs to perform an intermediate review for the financial year 2020/21.**

**13.2.1 Loco-shed, Bollington Lane (20/2000M/20/5638M) update** – Due to Cllr. Asquith's absence it was unclear if both planning applications had been 'called in' to be decided by Committee. Cllr.
